

## Detoxification Centre

Kingston Health Sciences Centre  
Hotel Dieu Hospital Site

Attention: Prescriber/Clinic,

The Detoxification Centre, in collaboration with B&B Pharmacy, requests your cooperation in transferring Suboxone and Methadone to B&B Pharmacy. This will facilitate our clients' admission and subsequent stay at the Detox Centre during the COVID-19 Pandemic. Please note that carries are not permitted at the Detoxification Centre, and passes are not available for clients to leave the Centre (to attend a pharmacy/clinic). Having our clients use this pharmacy will ensure that those who are voluntarily staying with us can receive their prescribed treatments on a daily basis, as required by The Detoxification Centre. B&B Pharmacy will observe, and document all doses, and will deliver daily to The Detoxification Centre.

Should you have any further questions please contact Detox Staff at 613-549-6461 or B&B Pharmacy at 613-767-5618. We appreciate your cooperation with this matter.

### **Suboxone and Methadone Transfer Form for KHSC Detoxification Centre Clients:**
