

Transportation/Parking

While paid parking options are available through Volunteer Services, we encourage volunteers to carpool, have someone drop you off, walk, cycle, or take a bus whenever possible.

Bus tickets are available for volunteers who ride the Kingston Transit or the Kingston Access bus

Bike racks are available for use at the main entrances of the hospital. A secure bike lock-up cage is also available upon request.

Paid parking is available in the Queen's University underground parking lot on Stuart Street during the hours you are volunteering at the hospital. Arrangements must be made with the Department of Volunteer Services.
